

## Annual Meeting & Member Appreciation Day.

Plans are underway for our Annual Meeting and Member Appreciation Day. Please make plans to join us on Saturday, April 28th from 11:00 a.m. to 1:00 p.m.

This will be our fifth year meeting at North Acres Baptist Church. To ensure we have a facility that can accommodate all our members in case of inclement weather, we believe that this location is the perfect spot. Nobody will have to be left out! North Acres features a large banquet/meeting room, large grassy play area outside, and ample parking.

Registration will be outside the church banquet room entrance. The doors will open at 11:00 with the meal from Buddy's BBQ to immediately follow. Some of our usual events planned are Bingo, Cash Door Prizes and Give Aways. Everyone that attends will receive a free gift!

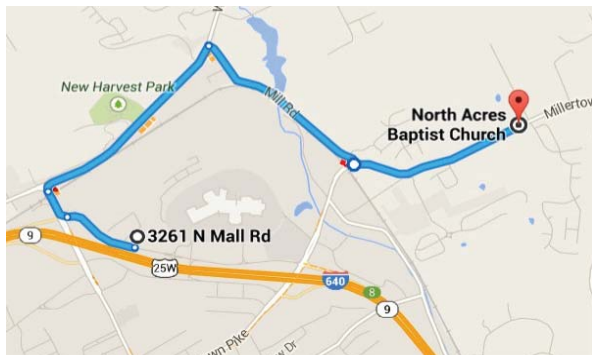

This day serves as our Annual Meeting where we briefly review our credit union's progress, confirm and elect our volunteer Board of Directors, and show appreciation for all our members. We have such a great time, and hope that you will plan to attend. The Nominating Committee will recommend that incumbent Board Members be re-elected to serve another 3-year term. The committee did not receive any other nominations.

## NEW SOUTH – The Better Way to Bank!

### New, Lower Check Pricing!

In our commitment to offer our members competitive pricing on their checks, we have changed our preferred check supplier. With the decline of the number of checks being written and the increase of postage rates, many check printers are increasing their prices to offset the decline in orders.

Our new supplier allows us to offer new, lower pricing well below the national average. We can now offer checks for only \$20 per box including monogramming, registers, shipping and tax. For members that don't write a lot of checks, they can order a smaller quantity for only \$10. Senior Members (60+) will now receive 50% off every order and no longer be limited to one box per year. This will save most of our Senior Members money because they will not have to pay full price plus shipping on additional orders.

Our new check printer offers several designs; however, if you wish to continue to order the specialty checks, they can still be reordered, but you should expect to pay a premium price.

We always encourage our members to order checks through the credit union to ensure accuracy. We have also found that the "discount" checks often have hidden cost that often make the cost more than the checks offered by the credit union.

When it's time to reorder checks, you will need to contact the credit union. After that, checks can be reordered online or through the credit union.
